

Dr. Abhay Firodia Group earmarks Rs 25 Crores for the Pandemic COVID-19 Relief Activities

Pune, March 27, 2020: The group led by JAYAHIND INDUSTRIES and its subsidiaries like FORCE MOTORS, JAYA HIND MONTUPET has earmarked Rs. 25 Crores to support COVID-19 Relief activities.

Jaya Hind Industries, established before independence, has been engaged in nation development activities, including charitable activities in the fields of healthcare and education for over 7 decades.

We have earmarked Rs 25 Crores from our companies Force Motors and Jaya Hind Industries for supporting the fight against the pandemic COVID-19 by NGOs, medical establishments, citizens and by industry platforms.

The deployment will be aimed at supporting upgradation of health care infrastructure, enhancing blood collection capability, and facilitating mobile clinic/testing capabilities.

We shall be working closely with bodies like Maratha Chamber Foundation, eminent private hospitals, and Select NGOs, to maximize the effectiveness.

“In this hour of major national crisis, we reiterate our dedication, for rendering service to society and the nation”, shared Dr. Abhay Firodia-Chairman, Dr. Abhay Firodia Group.

About Dr. Abhay Firodia Group:

The group of companies led by Dr. Abhay Firodia is one of India’s pioneering industrial houses focusing exclusively in the automotive domain.

The group companies provide end-to-end technologically advanced automotive solutions, ranging from its core competence of manufacturing light transport vehicles to engines and axles for leading international OEMs to producing a large variety of critical aluminum parts (both high pressure die casting and gravity die casting) for almost all leading automotive players in the country and globally.
